

**“Huh? What?
One more time...”**

**A special presentation over lunch
on the secrets of hearing loss,
and how you can understand and
overcome it!**

“Oh, uh... I’m sorry, could you repeat that?”

Have you heard this phrase lately? If so, you or a loved one may be living with a hearing loss. That’s why we’ve created a special lunch seminar designed to give you everything you’ve always wanted to know about your hearing health.

“How does hearing loss work? Is it normal to have ringing in my ears?
What options are available to help me hear more clearly?”

We’ll answer these questions and many more while discussing smart solutions to help you live a healthy and active life. Lunch will be served free of charge following our presentation, and special incentives are available for all guests! Seating for this presentation is limited, so call today to reserve your space.
